Mixer & Plant Parts Mfg, LLC (MPPARTS) extends credit lines with Net 30 terms to approved customers. We do not offer terms beyond 30 days. Claims or order discrepancies must be made within five business days after delivery. Once a return has been issued, the item(s) must be received at MPPARTS warehouse within 30 days or the return becomes void.

By submitting this application, the credit applicant authorizes MPPARTS to make inquiries into the banking and trade references supplied. Applicant agrees to the terms of sale listed on each invoice and that they are able to meet all financial commitments made. Applicant understands that if any part of the account becomes past due, then the entire account will be placed on a credit hold until the past due balance is paid in full. If applicant's account becomes consistently delinquent, MPPARTS reserves the right to remove the credit terms established, at which point all future transactions must be made via wire or credit card before goods are shipped. By signing this credit application, the applicant hereby warrants that they are authorized to execute and enter into this agreement on behalf of the credit application.
