(AUTHORIZED OFFICER)

(TITLE)

The above should be filled out and forwarded to the mixer manufacturer with check made payable to the Truck Mixer Manufacturers Bureau covering the charge for the new plate, computed at a rate of \$25 per plate.

TO BE COMPLETED BY MIXER MANUFACTURER:

The undersigned member of the Truck Mixer Manufacturers Bureau certifies that it supplied to the owner above named a ready mixed concrete truck mixer of the rated capacity and bearing the rating plate above described. This company will make every effort to assure proper attachment of the replacement plate and certifies that the replacement plate will, to the best of our knowledge, be attached to the standard mixer described above.

Terex Advance Mixer, Inc.

(NAME OF MANUFACTURER)

By _____

(AUTHORIZED OFFICER)

NOTE: The Bureau recognizes that in rare instances records may have been lost or destroyed so that it is impossible for the owner or the manufacturer to furnish information as to the NRMCA Registry Number of the original plate for which replacement is requested. In such case, the manufacturer must execute the following:

The undersigned member of the Truck Mixer Manufacturers Bureau certifies that the replacement plate requested above will be attached to a standard mixer manufactured by this company, with the rated capacity indicated above, and which did originally carry a Bureau rating plate. It is further certified that this mixer still conforms to the Bureau's Standards and is still entitled to bear a rating plate.
