

CUSTOMER IMPACT SPOTLIGHT:

Martin New

Lead Mechanic, Father, Grandfather, Veteran
Concrete Supply Company

LEARN MORE ABOUT MARTIN NEW AND THE MPACT HE MAKES AT CONCRETE SUPPLY COMPANY AND IN HIS COMMUNITY

1. **What was most memorable during your 10 years in Iraq?** The guys in the United States Marine Corps 5th and 8th regiment were close knit and treated me with dignity and respect. Master Sergeant Galloway would give me the shirt off his back and was always there for me.
2. **How long have you been a mechanic?** 33 years
3. **Why concrete mixers?** I love to work on diesel engines and eventually the concrete industry gets in your blood.
4. **What do you enjoy best about the ready mix concrete industry?** I enjoy the people in the industry the most. I also like that there's something new every day and I like a challenge.
5. **How do you define success?** Success to me falls in everyday work. Do what's right and do good work. I take pride in my work and when people in the Marine Corps were counting on me and had confidence in me to do the job that was success. At Concrete Supply, the company, drivers and people on the road are all depending on me for safety on the road.
6. **Who inspires you?** My dad William inspired me and passed away in 1988. My dad was 33 years in the fire department. The fire department is where I started in 1987 and I fought fires for 7 years. My brothers John and William Jr also inspire me. John is a retired mechanic and my brother Billy is a retired police officer.
7. **What's one thing either concrete related or not you learned in the last month?** Being a mechanic, you learn something new every day. As far as concrete goes, there's a lot more to mixing concrete than you think.
8. **What's a fun fact about you that not many people know?** My hobbies are my two motorcycles. I'm redoing a custom built chopper. After I retire from being a mechanic, I'm going to ride and work on motorcycles full time. I'd love to get ahold of an old Harley Knucklehead.
9. **What's the last book you read?** The Terex Advance Front Discharge Service Manual. My daughter Brooke is a big book reader
10. **What's the first concert you ever attended?** ACDC
11. **If you had to eat one meal every day for the rest of your life, what would it be?** Ribeye Steak.
